EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Title:

The title has been replaced with "LCD with diffuser having particular haze value and diffuser-reflector distance, and reduced parallax".

End of examiner's amendment.

Allowable Subject Matter

2. Claims 1-4, 6-11, 16, and 18-24 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Claim 1 has been amended to specify that the diffuser-reflector distance *d* is between 0.7 and 0.2 mm, inclusive. The previous rejection of claim 1 over *Weber* in view of *Ouderkirk* was based on the device using a conventional substrate with thickness of 1.1 mm, when the distance *d* would be at least the thickness of two substrates. This amendment to claim 1 therefore overcomes the previous rejection, which is withdrawn. The prior art does not disclose a device having the values of

diffuser-reflector distance and haze recited in claim 1, so claim 1 is allowed. Claims 2-4 and 6-11 depend on claim 1, so they are also allowed.

Claim 16 has been amended to recite that the diffuser-reflector distance d is between 0.3 mm and 2.0 mm, inclusive. The previous rejection of claim 16 is therefore similarly overcome since the distance d given in that rejection would be larger than this range. The prior art does not disclose a device having the values of diffuser-reflector distance and haze value recited in claim 16, so claim 16 is allowed. Claims 18-24 depend on claim 16, so they are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
